MEMORANDUM FOR: Mr. Emmett D. Echols

Eck:

I understand you have not had the opportunity to review this study but I did ask [REDACTED] to let me have a copy for a quick review following his recent briefing.

There is one aspect to which I think you could address yourself more so than the study covered, namely Tab I, as to the follow through of information pertaining to those who return short of tour for personal reasons, and seeing to it that this is properly recorded so that panels and career services can consider this factor and avoid repeat cases.
